WHY QUIT?

QUIT TODAY BECAUSE

[HOW TO QUIT?]

FIND AN EXCUSE:

*It's not very difficult to find faults
(We are sure you would have learnt that much from your boss!)*

So find a fault that suits your situation best.

SOME SAMPLE QUITTING EXCUSES ARE AS FOLLOWS

1. CONTINUING EDUCATION

You suddenly happen to believe that nothing makes up for the lack of double or even triple masters degree. Quit and claim to be joining the fall session!

2. PERSONAL PROBLEMS

Mother, sister, wife or child ☐ a morose face and a heart-wrenching story would not only provide you an easy exit but you also might manage a hefty severance pay.

3. BETTERING MY LEARNING CURVE

Be vague and throw words like Learning curve, career trajectory and propensity to future growth in your exit interview. As they say, confuse if you can't convince.

4. BETTER PACKAGE

Make sure the package you mention is more than just a 100% jump, so that it remains a resignation and does not become a bargain.

It will not only make your boss feel small but also make them think you're a bigger deal than they could fathom.

RESIGNATION LETTER

HATE GOODBYES? WELL, YOU WON'T ANYMORE. WRITING A RESIGNATION LETTER CAN BE FUN AND A PERFECT WAY TO TAKE VENGEANCE FROM THE BOSS WHO HAILS FROM HELL!

Explore

OUR SET OF SAMPLE RESIGNATION LETTERS IN A RANGE OF TONES AND TREATMENTS TO CONVEY YOUR MESSAGE BETTER.

THE NOTICE PERIOD

THIS IS THE PERIOD EVERY QUITTER WAITS FOR. THERE ARE MANY WAYS TO ENJOY THIS LITTLE WINDOW OF RELIEF.

We suggest

GAMES

GO GREEN WITH FARMVILLE AT WORK AND PLANT TREES ON FACEBOOK AND PLAY WORD GAMES- MAKE HANGMAN YOUR HOMEPAGE!

ORIGAMI

MASTER THE ART OF MAKING PAPER PLANES, NO DOCUMENTS WOULD BE IMPORTANT ANYMORE.

USE THE OFFICE PHONE

BY THE TIME THE BILLS ARE OUT YOU'D BE MILES AWAY.

BRAG ABOUT THE DAYS TO COME

GIVE THEM A TASTE OF WHAT THEY ARE MISSING OUT ON- SLEEPING LATE, WAKING EARLY, NOT HAVING TO FACE THE BOSS, EVER, EVER AGAIN.
(AND THEN GIVE THEM A COPY OF QUITTING FOR DUMMIES)

WHAT NEXT

**YOU'VE QUIT!
NO NEED TO HIT THE PANIC BUTTON.
YOU JUST WON YOURSELF A LIFE.**

NOW LIVE IT.
